

Product Description

Our standoff hardware is specifically designed to be used in high traffic areas. This lightweight standoff can be used for artwork, panels, directories, communication boards and more! Available in 1/2", 5/8", 3/4" and 1" diameter caps and 3/8", 1/2", 5/8", 3/4", and 1-1/8" barrel lengths. Fits substrates up to 3/8" thick. Satin Stainless finish.

Our secure fasten series standoff offers tamper resistance with integrated set screws in the cap that easily tighten with a provided hex key.

Standoff features rubber inserts that prevent damage or breaking from over torquing.

An anchor assembly is used to hold the standoff hardware in place.
